A Practical Guide to Integrating Technology into Task-Based Language Teaching

MARTA GONZÁLEZ-LLORET

Content

Chapter 1: What Is Technology-Mediated TBLT?

1. **Overview**
2. **Introduction**
3. **Task-Based Language Teaching: What Is a Task?**
4. **Two Task Models**
   - Willis's TBLT Model
   - Long's TBLT Model
5. **Technology-Mediated TBLT**
6. **Technologies for Technology-Mediated Tasks**
   - Virtual Environments
   - Games
   - Web 2.0: Writing Tools
   - Examples of Technology-Mediated Tasks with Web 2.0 Writing Tools
   - The Internet as a Tool
7. **Summary**
8. **Reflective Questions**
9. **Activities**
10. **Recommended Reading**

Content

Chapter 2: How to Conduct a Needs Analysis of Tasks and Technologies

Content

Chapter 3: **Creating, Organizing, and Sequencing Tasks**

Content

Chapter 4: Performance-Based Assessment and Curriculum Evaluation

1. **Overview**
2. **Introduction**
3. **Student Assessment**
   - Performance-Based Assessment
   - Performance-Based Assessment Criteria
   - Testing Tools
   - Language versus Performance
4. **Performance-Based Assessment of Technology-Mediated Tasks**
5. **Tools and Technologies for Performance-Based Assessment**
   - Text-Based CMC Technologies
   - Audio and Video CMC
   - Virtual Environments
   - Interactive Maps
   - Internet Searches and WebQuests
6. **Program Evaluation**
7. **Evaluating Materials**
8. **Summary**
9. **Reflective Questions**
10. **Activities**
11. **Recommended Reading**

THANK YOU FOR READING!
